## PROFESSIONAL EXPERIENCE

---

Lian Media Security **Perm, Russia (Remote)**

Junior Penetration Tester August 2024 – November 2024

- Identified 40+ critical vulnerabilities in ISP-scale systems, boosting data integrity and reducing unauthorized access risk by 25%.
- Strengthened incident response workflows with forensic analysis, improving response accuracy by 20%.
- Collaborated with teams to refine firewall and VPN access policies across hybrid network infrastructures.

Biodun Odeleye & Co **Lagos, Nigeria (Hybrid)**

Junior Information Technology Security Analyst September 2020 – July, 2024

- Conducted threat analysis and log reviews for over 500 users using SIEM tools, detecting 50+ intrusion attempts.
- Reduced incident response time by 50% and hardened Layer 3 routing access with ACLs and VPN segmentation.
- Participated in configuring firewall rules and CGNAT optimizations in line with ISO 27001 requirements.

Biodun Odeleye & Co **Lagos, Nigeria**

IT Security Analyst Intern June 2019 – August, 2019

- Assisted in setting up data access policies and user permission reviews for enterprise tools.
- Conducted investigations on anomalous activities leading to policy changes that reduced unauthorized data access by 40%.
- Created end-user guides on secure data handling and encryption best practices.

Oje Oluwasanmi & Co **Oyo, Nigeria**

IT Technical Support January 2019 – March, 2019

- Supported risk identification efforts for customer data across file systems and email servers.
- Contributed to definition of data encryption protocols, enhancing storage security across 3 departments.
- Developed visual reports summarizing risks and compliance metrics, increasing leadership visibility into threats.

G Banner Systems **Oyo State, Nigeria**

IT Support June 2018 – September, 2018

- Monitored data traffic and storage access patterns, detecting irregular behaviors with 95% accuracy.
- Supported cleanup of outdated user accounts and unnecessary permissions, decreasing potential exposure by 30%.

## EDUCATION

---

St. Petersburg National Research University of Information Technologies, Mechanics and Optics Saint Petersburg, RU  
Master of Science in Information Security (Honors)

Methodist University College Ghana (MUCG) Accra, Ghana

Bachelor of Science in Information Technology

First Class Honor

## SKILLS

---

1. **Security Analysis & Monitoring:** SIEM (Splunk, QRadar, ArcSight), Log Analysis, Threat Intelligence, Incident Response
2. **Penetration Testing:** Vulnerability Scanning, Social Engineering, Data Exposure Assessment
3. **Network Security:** Protocols, Traffic Analysis, Firewall Rule Evaluation, Linux System Security, VPN (IPSec, SSL)
4. **Data Protection:** Encryption, DLP, Data Anonymization, Access Governance

5. **Languages & Tools:** Python, Bash, MS Office, Wireshark
6. **Frameworks & Compliance:** NIST, ISO 27001, GDPR
7. **System Analysis & IT Skills:** Systems & Business Analysis, Technical & User Documentation, SQL & Data Querying, Process Modeling (UML, BPMN)
8. **Routing Protocols:** OSPF, BGP, Layer 3, Route Maps, VRFs

## LANGUAGES

---

- |                                     |                          |                      |
|-------------------------------------|--------------------------|----------------------|
| 1. English Language (Mother Tongue) | 2. Russian Language (B2) | 3. French (A2 Level) |
|-------------------------------------|--------------------------|----------------------|

## VOLUNTEERING

---

### Tech Lead(MUCG Chaplaincy -- Dansoman)

June 2019 – September 2020

*Accra, Ghana*

- Reduced system downtime by 40% through infrastructure improvements.

### Assistant Tech Lead(MUCG Chaplaincy – Dansoman)

June 2017 – September 2019

*Accra, Ghana*

- Contributed to the creation of 10+ cybersecurity training resources and led hands-on workshops for 100+ participants.
